EXAMINER'S AMENDMENT/COMMENT

Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance:

The primary reason for the indication of the allowability of claims 1-3 is the inclusion therein of the limitations of a discharge device comprises a holding means on which a plural liquid drop discharge heads are arranged so that said plural liquid drop discharge heads are align to be separated into groups of liquid drop discharge heads, and connectors through which signals to said plural liquid drop discharge heads are transmitted being arranged so that none of said connectors interferes with other said connectors, and a discharge head in one of said groups is orientated in a plane, on which the nozzles of said liquid drop discharge heads are aligned, to face a surface of the object onto which liquid drops are to be discharged at a predetermined distance. These limitations are neither suggested nor taught by the prior art of record, alone or in combination as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
